Tell Us What You Need

What do you hope to gain by joining this network?

What are your business/professional goals?

What concerns you most about YOUR business/career and future?

On a scale of 1 – 10*, rate your business work/life balance? What needs to happen for that number to rise to the next level?

*1 = 'no balance' and 10 = 'complete balance'

What We Are Not

If You DON'T want to...

- ✓ Maintain a connection with purpose-driven and like-minded professionals.
- ✓ Fulfill your commitment to community services with yearly projects to: Ronald McDonald House, American Heart Association and others.
- ✓ Stay connected, learning how to navigate, network and build social alliances.
- ✓ Become a member of an empowered team.

Our Creed

“Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light not our darkness that most frightens us”
